

Get a Head-Start on Your Recovery with Prepared Care from

COMMUNITY NURSE
& HOSPICE CARE

Pre-register for home care
before you come home from the hospital

Make your recovery from any operation more convenient and more comfortable by pre-registering for Prepared Care from Community Nurse and Hospice Care.

When you pre-register with Prepared Care, you avoid any delay in starting your at-home recovery. Before you're discharged or even before you go to the hospital, call Prepared Care at 508-992-6278.

The friendly, helpful health professionals of Community Nurse and Hospice Care will discuss your options and help plan your at-home recovery. Then, when you get home from your operation, the Prepared Care team is ready to help you on the road to a speedy recovery. And Prepared Care from Community Nurse and Hospice Care is covered by Medicare and most private insurance.

THE PREPARED CARE TEAM IS READY WHEN YOU ARE:

- Skilled nursing care
- Physical therapy
- Occupational therapy
- Personal care
- And more

The experienced Community Nurse and Hospice Care team can help with recovery from almost any illness in the comfort of your home.

Register for the Prepared Care program by calling 508-992-6278.

The shortest way to a speedy recovery is to prepare, so pre-register for Prepared Care at 508-992-6278 and ask how you can benefit from Prepared Care today.
